

Precept 5

These problems (or a subset of them) will be solved in precept.

1. EXERCISE 7.10 in Kleinberg-Tardos. (*Reducing capacity of edge*)

Repeat the exercise but do not assume that the set of edges with positive flow is acyclic.

2. EXERCISE 7.14 in Kleinberg-Tardos. (*Escape problem*)
3. EXERCISE 7.39 in Kleinberg-Tardos. (*Census rounding*)
