

Find a group of 3-4. Choose a role below. Record each person's name and one "fun fact" about them.

Leader

Keeps the group on task.
Don't get distracted!

Recorder

Records the group's
responses on this paper.

Reporter

Stands up and delivers a
report about the group at
the end of this exercise.

Checker (Optional)

Makes sure responses get
recorded and reported
correctly.

What have you heard about this course?

When is the first assignment due?

Why are you taking this course? What do you hope to get out of it?

What is the difference between Computer Science and programming? (If not sure, take a guess.)
