COS 341, November 5, 1997
Handout Number 13

Homework Set 6

Do Exercises 9, 10, 12, 20 and 40 in Chapter 11.9.

Remark In your solution to Exercise 12, be sure to give a rigorous justification of your claim.

Do exercises 32 and 37 in the attached handout.

Remark The attached handout is from the book by Dossey, Otto, Spence and Eynden, *Discrete Mathematics*, HarperCollins College Publishers, New York, 1993, Second Edition.
