Lab Day Assignments for COS116 – Spring 2012

Below is the list of students enrolled in COS116, as of Friday morning, together with lab assignments. We have assigned students who partipated in the Doodle polls for lab days that they requested. Other students were assigned arbitrarily to balance the two days. There was a clear preference to keep Monday and Wednesday rather than Tuesday.

If you have joined the class more recently and your name is not on this list, please send email to pu.cos116@gmail.com indicating which day you prefer (and show up that day).

Please attend the lab on your normally scheduled day when possible. If you need to attend on a different day due to illness or travel, please send email to pu.cos116@gmail.com so we know to expect you.
