Theoretical Machine Learning - COS 511

Homework Assignment 3

Due Date: 24 of Mar 2015, in class

(1) Consulting other students from this course is allowed. In this case - clearly state whom you consulted with for each problem separately.

(2) Searching the internet or literature for solutions, other than the course lecture notes, is NOT allowed.

Ex. 1-3:

Questions 1-3 in chapter 4 of book 1.

You have the **option** of replacing any of the questions 1-3 with question 4 in chapter 4 book 1 (for a total of 3 questions).
